Jennifer Tsang  
Pollinator Week Coordinator  
North American Pollinator Protection Campaign (NAPPC)  
Coevolution Institute  
423 Washington Street, 5<sup>th</sup> Floor  
San Francisco, CA 94111

Dear Ms. Tsang:

I am pleased to recognize "Pollinator Week" in Montana.

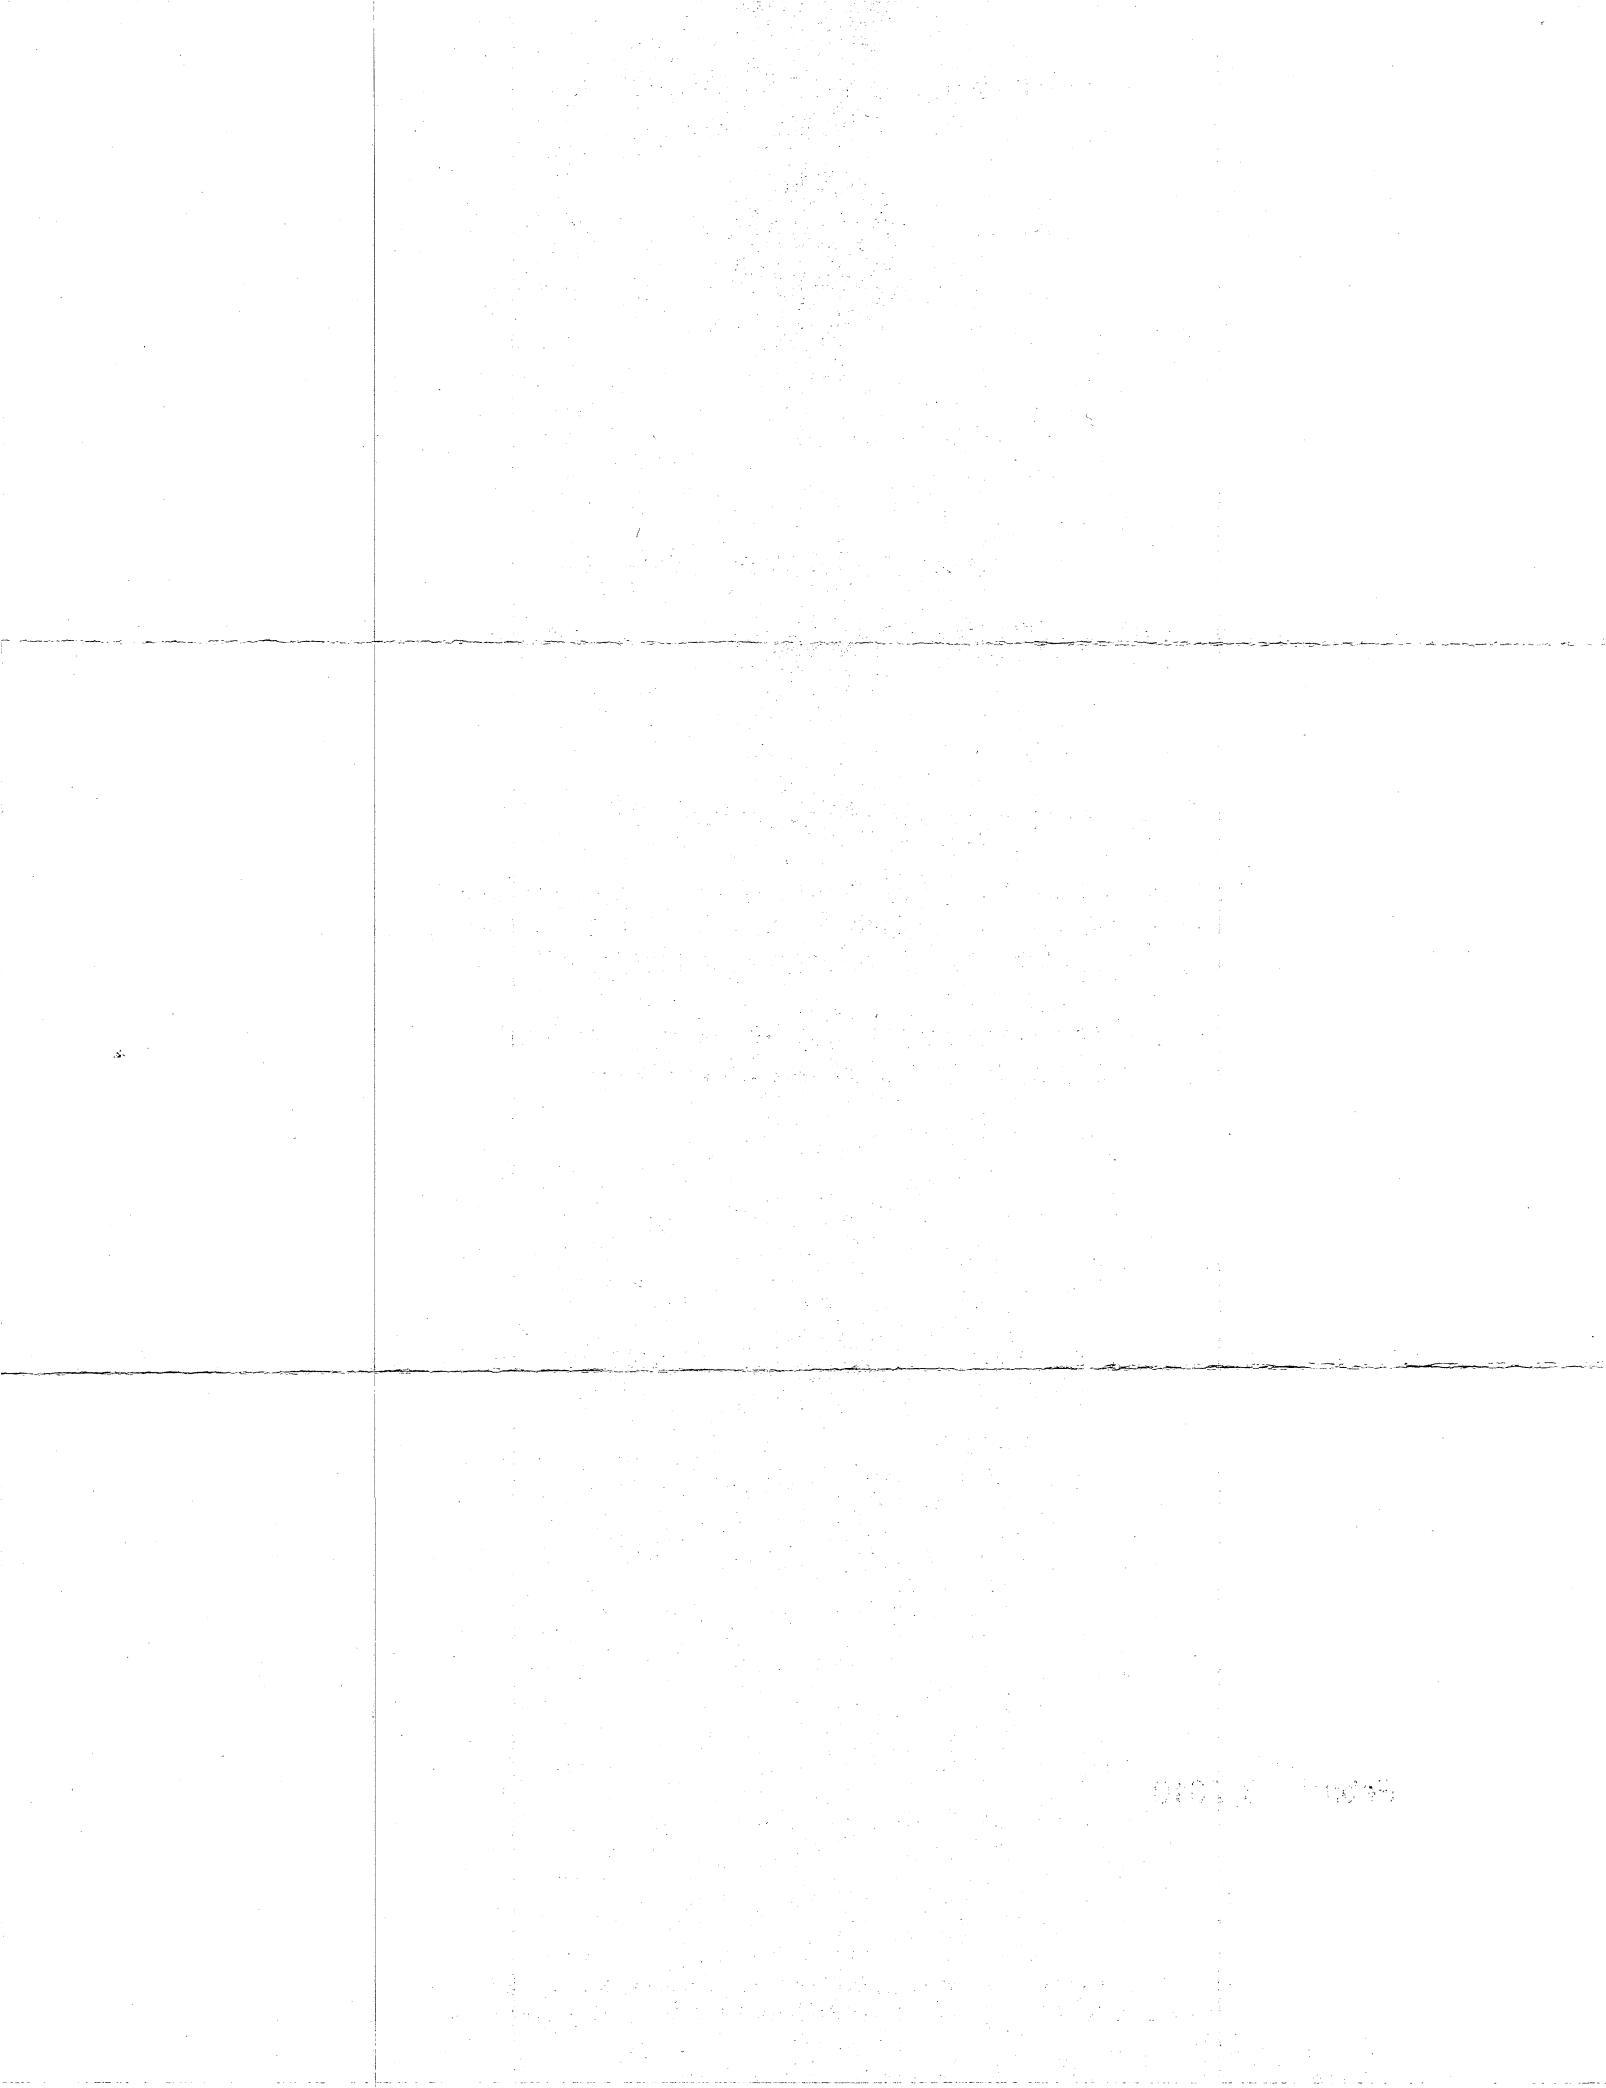

Pollination is important to the health of our national forests and grasslands, and is essential to the maintenance of biodiverse ecosystems and the farmers and ranchers who produce much of the food supply in Montana.

I appreciate your efforts to promote awareness of the important role pollination plays. I encourage these efforts in the State of Montana.

Sincerely,

A handwritten signature in black ink, appearing to be the initials "BS" followed by a stylized surname.

BRIAN SCHWEITZER  
Governor
