

The Commonwealth of Massachusetts

A Proclamation

Whereas Pollinator species such as birds and insects are essential partners of farmers and ranchers in producing much of our food supply; and

Whereas Pollination plays a vital role in the health of our national forests and grasslands, which provide forage, fish and wildlife, timber, water, mineral resources, and recreational opportunities as well as enhanced economic development opportunities for communities; and

Whereas Pollinator species provide significant environmental benefits that are necessary for maintaining healthy, biodiverse ecosystems; and

Whereas The State of Massachusetts has managed wildlife habitats and public lands such as Massachusetts forests and grasslands for decades; and

Whereas The State of Massachusetts provides producers with conservation assistance to promote wise conservation stewardship, including the protection and maintenance of pollinators and their habitats on working lands and wild lands,

Now, Therefore, I, Charles D. Baker, Governor of the Commonwealth of Massachusetts, do hereby proclaim the week of June 15th, to the 21st, 2015, to be,

POLLINATOR WEEK

And urge all the citizens of the Commonwealth to take cognizance of this event and participate fittingly in its observance.

Given at the Executive Chamber in Boston, this Twenty-Sixth day of May, in the year two thousand and fifteen, and of the Independence of the United States of America, the two hundred and thirty-eighth.

BY HIS EXCELLENCY
