## **P2 Donor Confidentiality Statement**

The Pollinator Partnership wishes, from time to time, to publicly recognize and thank our donors for their generosity. We may occasionally publicize donors' names, gift ranges and gift designations in various P2 media, including, but not limited to, a quarterly newsletter, website, and program reports. Frequently, we are asked to report contributions from donors in letters of inquiry and proposals to various funding entities, especially foundations.

In all of these matters, however, P2 does not share any other personal information beyond the name of the donor and the range of their gift. No contact information is provided. Nor will we sell, trade, or share any donor personal or contact information with any outside organization.

For donors who wish complete anonymity, P2 will honor requests from donors that their names not be released, and will maintain the confidentiality of all other donor information, unless otherwise required by law. If you have questions, please call (415) 362-1137 or e-mail [info@pollinator.org](mailto:info@pollinator.org).
